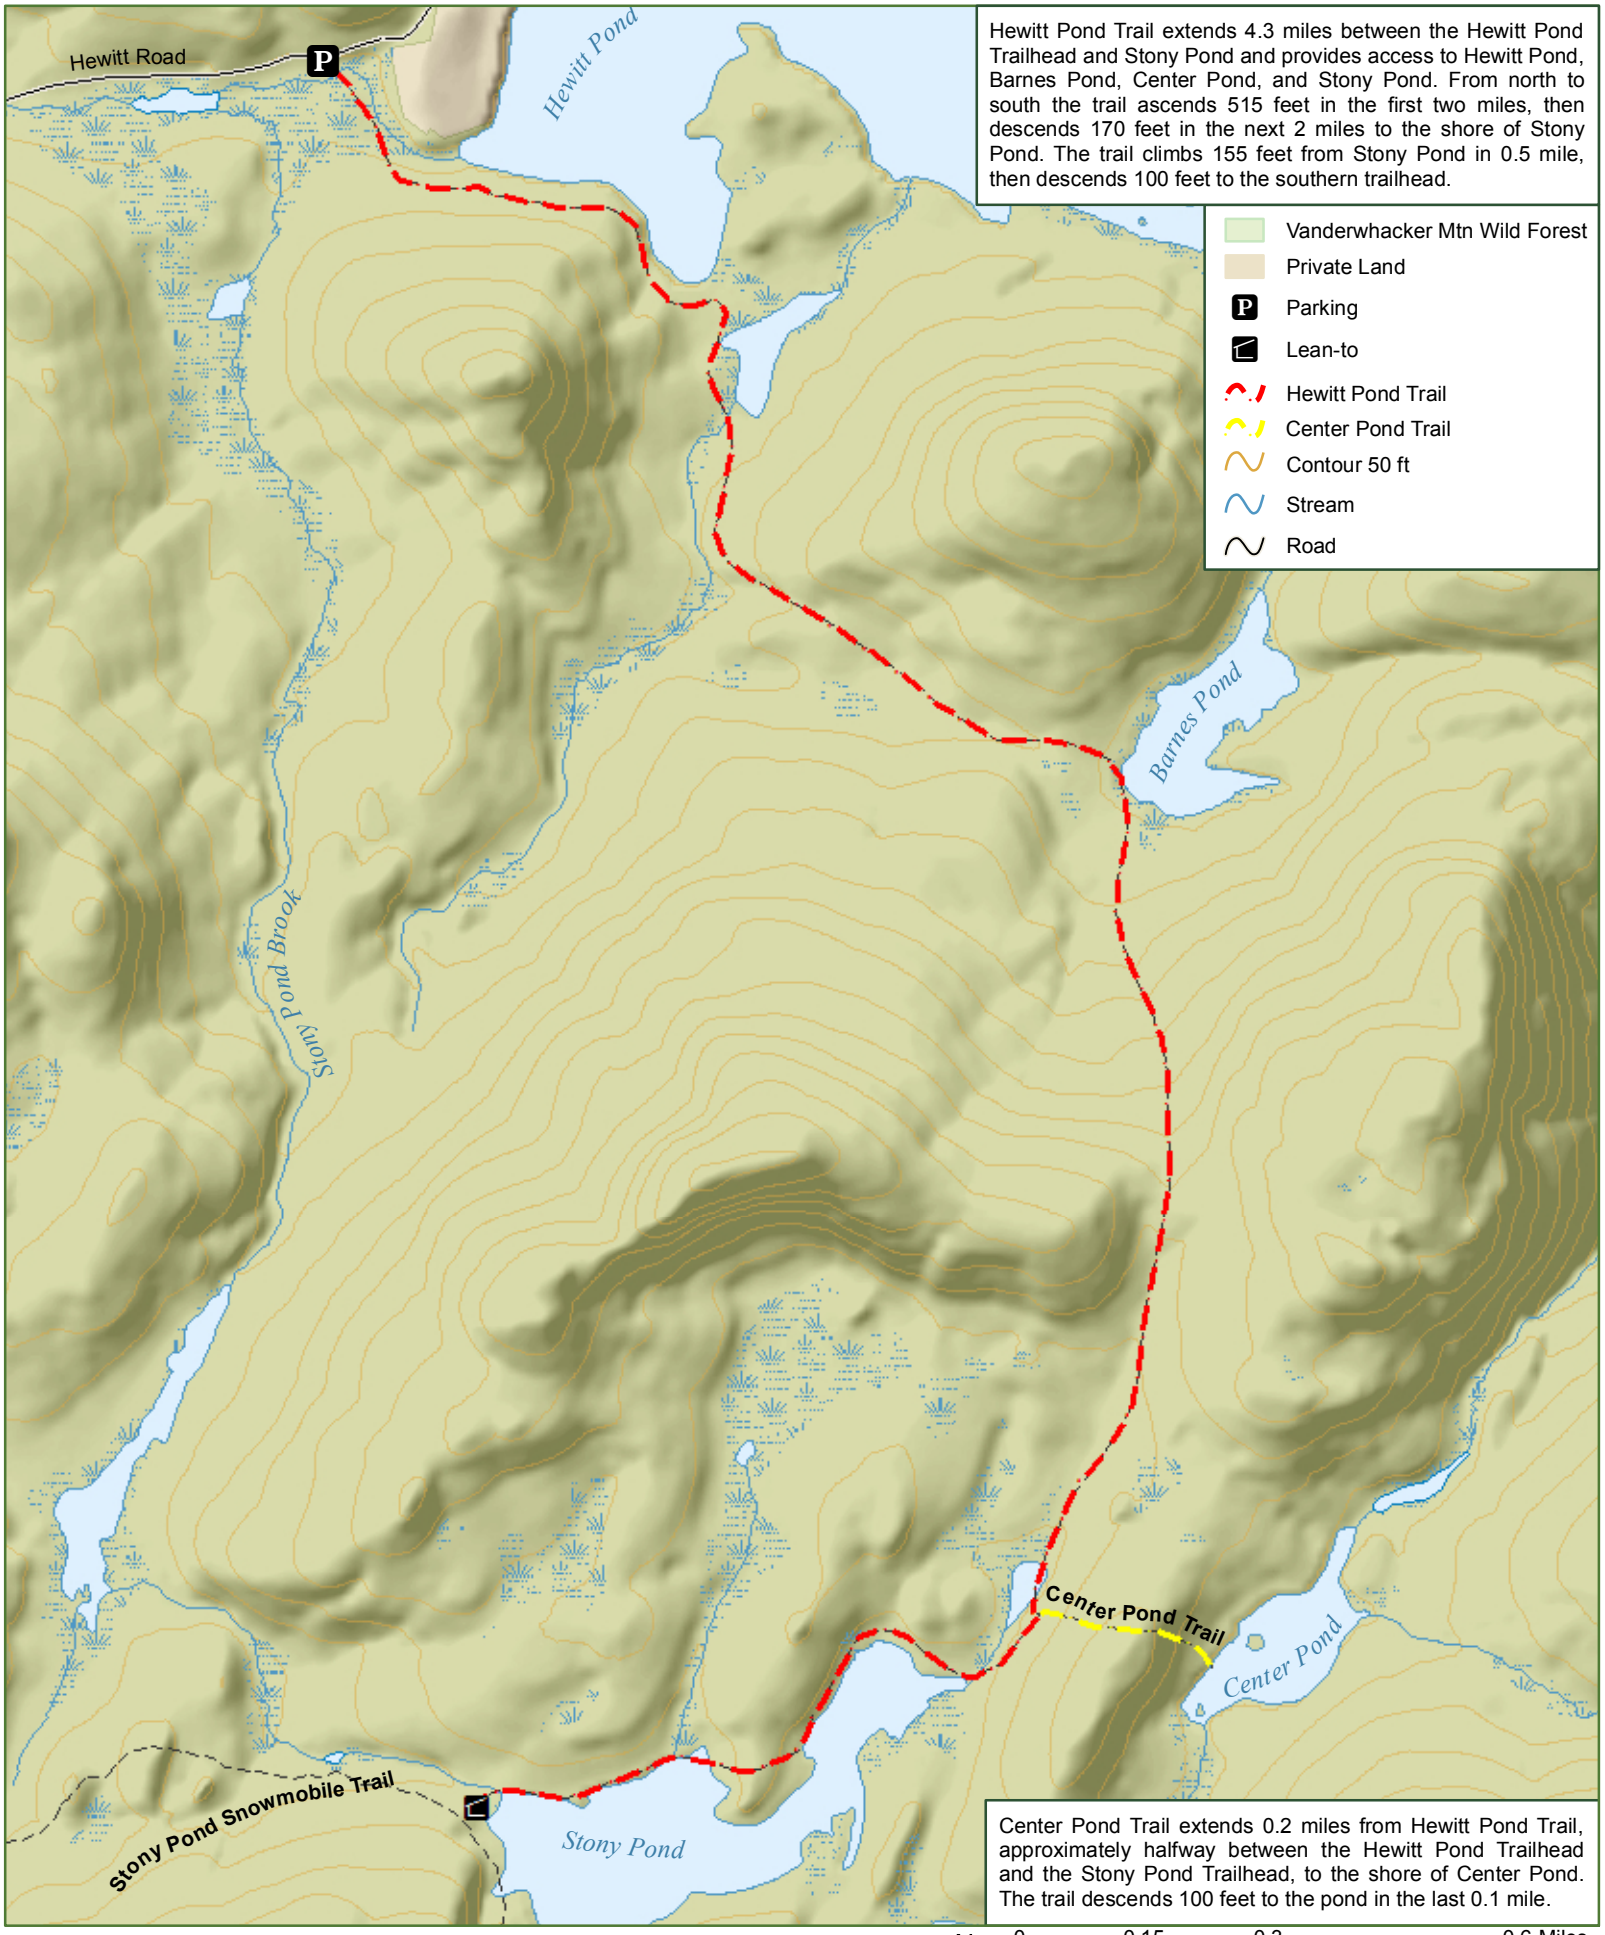
Vanderwhacker Mtn Wild Forest - Hewitt & Center Pond Trails



Hewitt Pond Trail extends 4.3 miles between the Hewitt Pond Trailhead and Stony Pond and provides access to Hewitt Pond, Barnes Pond, Center Pond, and Stony Pond. From north to south the trail ascends 515 feet in the first two miles, then descends 170 feet in the next 2 miles to the shore of Stony Pond. The trail climbs 155 feet from Stony Pond in 0.5 mile, then descends 100 feet to the southern trailhead.

Center Pond Trail extends 0.2 miles from Hewitt Pond Trail, approximately halfway between the Hewitt Pond Trailhead and the Stony Pond Trailhead, to the shore of Center Pond. The trail descends 100 feet to the pond in the last 0.1 mile.
